About the band

Psycodrummers è un progetto musicale che esplora in modo non convenzionale le possibilità delle percussioni industriali, costruendo performance dal vivo di forte impatto emotivo, in cui la potenza dei tamburi si mescola alla puntualità incalzante delle coreografie. Il gruppo – formato nel 2015 in Italia, composto da tredici percussionisti – si ispira alla tradizione africana e all’universo della world music ma si apre alle più diverse contaminazioni, dal funky all’elettronica, per sviluppare esibizioni energiche dal sapore tribale e al tempo stesso decisamente contemporaneo.

Gli strumenti utilizzati sono stati costruiti dagli stessi musicisti, recuperando rifiuti plastici, tank di diverse grandezze e misure. Brani e coreografie sono creazioni originali.
